

A person wearing blue gloves is cleaning a desk. They are holding a spray bottle in their right hand and a yellow cloth in their left hand. The desk has a keyboard and a mouse on it. The background is a blurred office setting.

## ASSESSMENTS AND RECOMMENDATIONS

Windward provides guidance and facility-specific recommendations that promote safe, sustained re-occupancy of corporate work environments, by minimizing the spread of pathogens in a facility.

# OUR WORKSTREAM

**BUILDING SYSTEMS**  
HVAC Considerations  
Restroom Considerations  
High-Consequence Spaces

## **OPERATION & MAINTENANCE (O&M)**

Safe O&M  
Cleaning Protocols  
Managing a Known Event

# THE ADDED VALUE

## INTEGRATED ANALYSIS

Collaborative review of your space through an engineering perspective.

## LONG-TERM RESILIENCY

Thorough and time-tested recommendations provided for the long-term.

## COST SAVINGS

Provide solutions that remove unnecessary costly measures.
